1 This schedule reflects the courses students generally take. We alter courses for students coming into the program whose prerequisites may not match our program of study.

2 We have two math tracks. Some students may take Algebra 1 in the ninth grade.

3 Bible classes are ½ credit courses each.

4 Currently P.E. is a ½ credit course. Students need 1 credit to graduate. Students that participate in a varsity sport may receive ½ credit on a Pass/Fail basis. Or, students may participate in a program outside of Covenant Christian School for ½ credit.

5 Electives include Art, Music, Drama, Biology II. French II and Calculus are also considered electives.
