AREAS OF LIFE PRACTICE

The following questions may involve lengthy answers. Our intention is not to pry or intimidate, but to accomplish two things: (1) become familiar with several vital aspects of your life which will directly affect all of us; and (2) learn of ways in which we may serve you as Christ makes you more into His image.

1. Describe the religious experience of your family (and marriage, if applicable). What spiritual relationship do you have with your parents (and spouse, if applicable)? How will your family (spouse, if applicable) perceive you if you are offered a position in this school?
2. While recognizing that every Christian continues to develop spiritually throughout his lifetime, describe your personal development in spiritual maturity, particularly regarding your use of the Bible, prayer and summarize specific ways in which this growth is evident in your life.
3. Describe ways in which you are encouraging your family to grow spiritually into Christ. Summarize your involvement in your church and then elaborate on other ways in which your Christianity is evident in the community.
4. What are your beliefs and practices about such personal issues including the use of tobacco, alcohol and any privately consumed substances? What principle do you find in Scripture to guide you in these matters?
5. Are there any practices, actions, or relationships in your past or present which, if known, might bring discredit upon the name of Jesus Christ or embarrassment to this school?
